Chapter 11

Case No.: 22-19361-MBK

Judge: Michael B. Kaplan

**OBJECTION OF KATZENELL TO DEBTORS' ELEVENTH OMNIBUS OBJECTION  
DATED SEPTEMBER 4, 2023**

Our firm was retained by the Estate of Herman Katzenell today. I am filing a Notice of Appearance on behalf of our firm and this objection to the Eleventh Omnibus claims motion. The Debtor seeks to reduce the creditors claim #15880 in the amount of \$255,000.00 to a claim in the amount of \$24.42. As our firm has been retained within the last two hours, I will provide additional documentation in support of the objection when it is received. I am optimistic that once documents are exchanged, the claims motion with respect to my client will be resolved.
